

Accountant

Agomab is a young and dynamic biotech company developing medicine for patients with inflammatory and fibrotic diseases, including Crohn's disease. We are headquartered in Gent with offices in Antwerp and Barcelona; and laboratory facilities in Turin and Touro.

We are looking for an **Accountant** to expand our Finance team in Belgium. Reporting to the Head of Finance and based in our offices in Antwerp, Belgium, this role will be pivotal in delivering an efficient and effective financial reporting function. You will play a key role in supporting an internal finance centre of excellence.

Who are we?

We are a highly motivated team, valuing ownership, trust, humility and courage in everything we do. We focus on pioneering science and getting results within an environment of continuous self-improvement.

What will you do?

The Accountant's duties will be varied due to the small structure of the company. He/she will collect and analyse all documents related to the company's economic and accounting activity:

- Accounts payable (generating POs, posting invoices, setting up payment runs)
- Reconciling Bank accounts
- Cash management and forecasting
- Completing VAT filings
- Preparation of monthly, quarterly and annual closing documents (balance sheet, income statement, cash forecast, Belgian corporate tax returns)
- Payroll admin & support

Who are you?

- You have a Bachelors/Masters degree in Finance with at least 3 years' experience working in a SME
- You are familiar with accounting standards (IFRS, Belgian GAAP)
- You have good knowledge of IT tools (MS Office, MS Dynamics)
- You have good knowledge of tax, legal and social security

- You are discrete in handling confidential information
- You have good analytical and synthesis skills
- You are fluent in English and Dutch
- You have excellent interpersonal, time management and organizational skills

The ideal candidate would ideally have experience in:

- Biotech / Healthcare / life science sector

What we offer

- The opportunity to develop pioneering science in a young biotech company
- Challenging and innovative work environment as part of a driven team
- Flexibility and responsibility based in Antwerp, with remote working options that can be tailored for you
- Competitive salary and benefits
- An agile and fast paced environment
